

POSITIVE DISCIPLINE IN EUROPEAN SCHOOLS THE JOURNEY OF THE PSLL CURRICULA

*Six partner school focus on kindness, safety, and connection
30 ready-to-use lessons*

The PSLL Lesson Curriculum is a shared gift from six European schools. It reflects our belief that every child deserves to learn in a kind and structured environment. It's practical, proven, and ready to use. Together, we can make Positive Discipline a part of every classroom—and every child's life.

HOW IT'S USED IN SCHOOLS?

- Teachers can use one lesson per week, or adapt them to fit their classroom needs.
- It can be used during class meetings, morning circles, or as part of social-emotional learning time.

WHY IT MATTERS?

This curriculum is more than a teaching tool—it's a way to build a school culture based on respect, cooperation, and emotional safety. It helps children feel that they belong, that they matter, and that they can learn from their mistakes. And when students feel safe and supported, they don't just behave better—they learn better.
